FELLNER, Dr. Anton  
Suspected Intelligence Personality  
Upper Austria, Linz

30 June 1953

L/28659 SG/TKW/mag

Civilian Censorship Group intercepts, listed below, received as a result of coverage placed on other personalities or firms, revealed the following information concerning SUBJECT:

CCG postal intercept number L/P 29090, dated 9 April 1953, between Dr. Anton FELLNER, 51 Buengerstrasse, Linz, and Dr. Anton Boshu, 73 Klosterstrasse, Haus Dempewolf, Koeln/Rhein, Germany, reveals that the writer (FELLNER) is closely connected with [Erich Bernmayor] leader of the Gmunden Circle. The writer also reveals a detailed knowledge concerning the arrest of Dr. Wilhelm Moettl by CIC, the ramifications of the Moettl net, and the various personalities involved.

CCG telephonic intercept number L/T 19501, dated 12 May 1953, hours, between an unidentified man, telephone number not given, and a Mr. Kramer, c/o SPÖ (Sozialistische Partei Oesterreichs - Socialist Party of Austria), 36 Landstrasse, Linz, telephone number 24124, which states: "He had a long talk with Kitzinger. Fellner remains with VoEST as manager of Stocker A.G.".

CCG intercepts also reveal that FELLNER is in contact with the well-known, East-West trader, Johann Haselgruber, Linz, Mariahilferstrasse 25, and that he, SUBJECT, is residing temporarily with his wife at the Pension Elisabeth, Gmunden, Upper Austria.

(B-2)

Agents' Notes: On 10 June 1953, the files of this Sub-Detachment were examined concerning Johann Haselgruber and numerous references were found relating to his activities as an East-West trader.
